

Force Protection Conditions (FPCON) Awareness for

WHAT TO REPORT

Surveillance – Using cameras (either still or video), note taking, drawing diagrams, writing on maps, or using binoculars or other vision-enhancing devices to record or monitor base activity.

Elicitation – Attempts to gain information from you by mail, in person, or by telephone about military operations, capabilities, or people.

Tests Of Security - Attempts to measure reaction times or penetrate physical security barriers or procedures in order to assess strengths and weaknesses.

Acquiring Supplies – Purchase, theft, or unauthorized acquisition of explosives, weapons, ammunition, military uniforms, decals, flight manuals, passes or badges, or any other controlled items

Suspicious Persons Out Of Place – People who don't seem to belong in the workplace, neighborhood, business establishment, or anywhere else.

Dry Run – People getting into position and moving around according to their plan without actually committing a terrorist act. This could also include mapping out routes and determining the timing of traffic lights and flow.

Deploying Assets – People and supplies getting into position to commit the act. This is a person's last chance to alert authorities before the terrorist act occurs

Terrorism is defined as the calculated use of violence or the threat of violence to inculcate fear; intended to coerce or to intimidate governments or societies in the pursuit of goals that are generally political, religious, or ideological

This pamphlet was developed to provide situational awareness on the force protection measures for Joint Base McGuire-Dix-Lakehurst, N.J. You are a Force Multiplier ... providing additional sets of eyes to help maintain security vigilance and reporting suspicious activity that may impact our base community and the surrounding area.

FORCE PROTECTION CONDITIONS (FPCON)

Sample Protective Measures

- Vehicle Inspections
- Gate Guards
- ID Checks
- Barriers
- Patrols

FPCON NORMAL

- There is a general global threat of possible terrorist activity that warrants a **Routine Security Posture** only
 - A terrorist attack is always possible
 - Best information available offers no indication of probable attack

Expect to see a routine security posture

FPCON ALPHA

- There is a general threat of **Possible Terrorist Activity**, the nature and extent of which is **Unpredictable**, against personnel and facilities
 - General conditions suggest possible violence
 - Nothing indicates that the base or the local area is targeted
- FPCON Alpha must be capable of being maintained indefinitely

Expect random vehicle checks and increased crime prevention efforts

FPCON BRAVO

- An increased and more **Predictable Terrorist Threat Activity** exists

- Specific information suggests probable violence
- Nothing indicates that this installation is targeted
- Extra precaution is appropriate to deter terrorist planning
- Must be capable of being maintained for weeks without hardship

Expect to see closer inspection of vehicles and deliveries, ID checks, and A greater presence of guards on JB MDL

FPCON CHARLIE

- An incident occurs or intelligence indicates that **Terrorist Targeting Against Personnel and Facilities Is Imminent**

- Evidence of terrorist attack planning, such as terrorist surveillance or reports from local sources
- Strong protective measures are required, but JB MDL must continue routine mission activities
- Implemented for only a short period of time

Expect rigorous efforts to inspect vehicles and facilities
You may be required to evacuate the base, or you will not be allowed on-base without escort

FPCON DELTA

- A **Terrorist Attack Has Occurred** or Intelligence indicates **Imminent Terrorist Action Against a Specific Location**

- FPCON Delta is normally declared as a specific, localized warning
- JB MDL will move to a high state of alert, and the commander will implement mandatory security measures
- Commanders encouraged to supplement mandatory security measures

On-base: Follow security forces instructions – You may be directed to evacuate or seek shelter
Off-base: You may be denied access until the incident is over
Additional security measures will delay and interrupt normal routines

CALL THE JB MDL SECURITY FORCES DESK AT
